Understanding

Roman Catholicism

37 Roman Catholic
Doctrines Explained

By **RICK JONES**

*"A compassionate, yet explosive
book that every Roman Catholic
needs to read."*

Is Roman Catholicism Christian ?

Though the debate rages, the answer can be found
by comparing the doctrines of the 1994 *Catechism
of the Catholic Church* with the Holy Bible.

Have you read the Catechism for yourself ? Do you
know what the Catholic Church teaches ? Will this
religion lead you to heaven ?

Having been born and raised a Roman Catholic,
curiosity led the author to perform an exhaustive
study of the new Catechism, then compare its teach-
-ings with GOD'S written WORD in Scriptures.

The results were shocking !

Thirty seven primary Roman Catholic doctrines are
quoted from the new Catechism's 803 pages,
you need to read this revealing book.
